

14th January 2007

Dear Colleague

Students' Union Evaluation Initiative - Invitation to join Cohort Three

We are now inviting applications for the third cohort of the Initiative and we attach an application form should you be interested.

The first two cohorts, fourteen Unions in total, are up and running. Cohort One members have some very positive things to say about the Evaluation Initiative, which they started seven months ago. Their next Cohort workshop for officers and staff is in March.

Cohort Two are working on initial action plans at the moment and meet next at a workshop in February to share their experiences to date.

As you will be aware the Initiative has been developed to assist in enhancing the outcomes of Unions in making a positive difference to students whilst they are at University.

The Third Cohort will commence with a 'Getting Started' workshop at the end of February (28th), and participants could gain the Students' Union Evaluation accreditation by Christmas of 2008. Cohort Four will begin in the autumn. We would encourage you to fully consider joining us now and using this particular route towards continuous improvement and enhanced outputs.

The closing date for applications is 5th February. If you require any further information or have any questions please do not hesitate to contact us.

Yours Sincerely

Di and John
